JUNIOR SOFTWARE DEVELOPER

Recent Information Technology graduate skilled in building responsive web and mobile apps with seamless data integration. Eager to leverage my skills and contribute innovative full stack solutions to a dynamic organization, while continuing to learn and grow in a collaborative environment.

SKILLS & PROFICIENCIES

- Java, HTML, CSS, JavaScript, jQuery, PHP, SQL, Kotlin, Python, Go, TypeScript, MongoDB, REST API, AWS, IIS, Git
 - Frontend: Vue.js, React.js, Next.js
 - Backend: PHP/Laravel/Codeigniter, NodeJS/EXPRESS, Python/Flask, GoLang/Gin
 - Teamwork, multitasking, and attention to detail
 - Software and web development
-

PROFESSIONAL EXPERIENCE

Circuit Solutions Inc.

Sep 2023 - Dec 2023

Intern Web Developer

Joined as an Intern Web Developer in the Research and Development Department to render my second internship requirements of 520 hours.

Accomplishments:

- Provided technical assistance and direction for the development of applications, ensuring alignment with project requirements and best practices.
- Researched and implemented cutting-edge techniques to enhance application performance, scalability, and security posture, staying up-to-date with industry trends and standards.
- Integrated multi-factor authentication (MFA) mechanisms, leveraging third-party SMS and email APIs to generate and validate one-time passwords (OTPs) for secure user authentication.
- Developed full-stack web applications using Vue.js (front-end) and Laravel (back-end).
- Implemented middleware, token authentication to secure APIs and user sessions.
- Collaborated with the team to facilitate application deployment to testing and production environments.

Circuit Solutions Inc.

Apr 2023 - Jul 2023

Intern Web Developer

Joined as an Intern Web Developer in the Research and Development Department to render my first internship requirements of 520 hours.

Accomplishments:

- Developed a cross-platform Android mobile application utilizing CapacitorJS and Vue.js frameworks, facilitating the integration of web technologies with native functionalities.
- Implement third-party API such as leaflet map view with native geolocation functionalities.
- Constructed a robust Laravel back-end API to handle the mobile application's data operations, ensuring efficient data management and retrieval.

- Implemented middleware and token-based authentication mechanisms to secure APIs and user sessions, ensuring data integrity and privacy.
 - Designed a responsive and intuitive user interface adhering to UI/UX standards, ensuring optimal user experience across various screen sizes and platforms.
-

EDUCATION

FEU Institute of Technology (2019 - 2024)

Graduate BS in Information Technology (Web and Mobile Applications)

Good Shepherd Cathedral School (Grade 11-12)

Graduate in STEM Academics

MATTHEW ANDRE BUTALID

<date>

Dear Hiring Manager,

I am writing to express my strong interest in the Programmer/Developer position with a Bachelor's degree in Information and Technology and a passion for building innovative web and mobile applications, I am confident in my ability to make valuable contributions to your team.

What sets me apart is my well-rounded skillset in both front-end and back-end development. On the front-end, I am proficient in JavaScript, React, Vue, and responsive design principles, enabling me to create intuitive and visually appealing user interfaces. Complementing this, my expertise in Nodejs, Express, Laravel, and SQL databases allows me to develop robust and scalable back-end systems, ensuring seamless data integration and efficient application performance.

With a strong problem-solving mindset and a commitment to continuous learning, I am eager to tackle complex challenges and stay up-to-date with the latest industry trends. I am confident that my technical expertise, coupled with my ability to collaborate effectively in a team environment, will enable me to make an immediate impact to the organization.

Thank you for your consideration. I look forward to the opportunity to further discuss my qualifications and how I can contribute to the success of your team.

Yours Sincerely,

Matthew Andre Butalid
